Information on International Congress-Exhibition Activities in Education, Science and Innovation 2019

Issue 3

*Russia,
countries of CIS*

Moscow 2019

Information on international congress and exhibition activities in education, science and innovation is issued as brochures since 1986 and sent out to the ministries, departments and organizations, federal and regional centers of Russia etc. Since 2013, brochure distributed in electronic form. Information is available on site **www.science-forum.ru**.

The dispatching is made according to the mailing lists of the Ministry of Science and Higher Education of the Russian Federation.

At present the data bank of international congress and exhibition activities is being updated. In the first half of 2019, in course of information acquisition and its analytical processing we suppose to distribute among the interested organizations the electronic form the comprehensive plan of international activities in 2019-2021 in Russia and countries of CIS, and the near and distant foreign countries.

We kindly ask you to assist us in obtaining the more complete information about international activities in the field of education, science and innovation planned for realization in 2019-2021 ***with the indication of subjects, places and terms of their realization, names of organizers and their contact telephones, faxes, e-mail.***

On assignment of the Department of International Cooperation of the Ministry of Science and Higher Education of the Russian Federation the information collection, processing and input into the data base on arrangements and the brochures publishing on international congress and exhibition activities in the field of education, science and innovation is accomplished under the guidance of the Company Ltd 'Science Forum'.
